

## Graduate Council

### Minutes

04/20/06

Present: Joyce Centofanti, Tracey Robinson, Mary Valerio, Theresa O'Halloran, and Teri McCartney

#### Course and Degree Changes

##### HPE

- Tracey presented changes in both courses and the degree plan for HPE.
  - HPE 580 – Field Study – Hours in the field and other requirements in the course were increased; course given more of an academic focus
  - HPE 585 – Practicum – Hours in the field and other requirements in the course were increased; course given more of an academic focus; designed to give students maximum learning opportunity in the field
  - Degree Plan
    - Both 580 & 585 will be required (previously only one or the other required)
    - Degree hours stay the same, but students take one less elective
- Council approved changes to 580, 585 & degree plan
- Teri will notify Ed and Barbara about the approval so catalog change forms can be completed

##### GTE

- Mary presented a new degree plan in the MA in Education
  - New degree plan deletes ED 547 – Tech Apps
  - GTE has contacted CDE and the degree plan is still acceptable
  - ED 547 is infused into all other classes
  - CDE requires that the technological proficiency is met; it doesn't care how
- Council approved the change to degree plan

#### Old Business

- Program-Jumping Form was approved with minor changes
- Reviewed the number of G.A.s allowed in each area and reminded members that they may have money for student employees

- Teri handed out the current GA applications

**Discussion Items**

- Graduation application deadline for fall semester was changed to June 20
- Discussed a separate graduation for master's candidates; Council was strongly opposed
- Announced a new cohort beginning in Eagle County in the fall; LLC: LDE
  - LDE- linguistically different educator the new designation for ESL endorsement

**Next meeting: TBA; will meet once over summer**
